HOW DOES THE PROGRAM WORK?

The patient just presents the card or a digital version of the card at the pharmacy when filling their medication

By utilizing the Florida Rx Card at a participating pharmacy, the patient has access to **discounts of 15-75%, off of retail price for prescription medications.**

WHO CAN USE THE FLORIDA RX CARD?

VIRTUALLY EVERYONE.....

- **Uninsured or under-insured** individuals
- Individuals who have **drugs that aren't covered** by their insurance plan
- Individuals who **haven't met their deductible**
- Individuals who are **in the "donut hole"**
- Individuals with **high copays**

HOW CAN THE FLORIDA RX CARD BE USED?

ON VIRTUALLY EVERY PRESCRIPTION.....

- **Non-formulary** drugs
- **OTCs** prescribed by providers
- **Animal prescriptions** filled at a pharmacy
- Drugs considered to be **"cosmetic"**
- **Name brand** medications
- **Generic** medications
