FHA Salary Surveys

FHA Eye on the Market

The FHA Salary Surveys, conducted for over 25 years, provide the most comprehensive source for hospital workforce wage and salary data in Florida. Participating hospitals human resource or chief executives receive a complimentary copy of the reports. These valuable resources are available to non-participating hospital human resource or chief executives for purchase.

FHA Management/Department Head Salary Survey: Provides annual salary analysis by region of the state, bed size, and net patient revenue for 95 common management and department head positions. Includes tenure data as well.

FHA Non-Management Salary Survey: Provides wage analysis for 258 key hospital, physician office, skilled nursing, psychiatric, and rehabilitation positions by region of the state and bed size. Minimum rate, maximum hire rate, maximum hourly rate, average effective rate, and shift differentials are reported for each position.
